Tips for Shred Day

1. Bring all paper documents that you need to have shredded, color and thickness of paper does not matter.
2. No heavy metal, batteries, electronics or anything that might cause a fire, spark or explosion.
3. Paper clips & hanging file folders are acceptable. However, we prefer that you save and reuse them!
4. We will not be able to keep or dispose of boxes, bags, containers or other items documents are brought in.
5. We cannot dispose of cellphones.
